The City is waiting for the final report from the State Water Board before starting on the water project.

Drinking fountains and picnic tables are scheduled to be installed prior to the Party in the Park.

Bricks on the Quinter sign need to be repaired and will be placed on the maintenance schedule. It was mentioned that future landscaping around the sign could be a possibility.

**Street Report:** The street sweeping of Main Street was discussed, City Personnel was informed that waiting until the temperature cools would lend to a more favorable result.

**Treasurer Report:** The Treasurer was asked by a member of the community concerning operating a business in a residential property. The City Administrator will contact the individual and discuss Ordinance No. 410.

**City Marshall Report:** Discussion was held regarding the parking on residential streets around the ball fields. The City Marshall presented his research findings on residential street widths and

concluded that widths greater than 35 feet provided the most comfort for passing vehicles. The streets in question are 80 feet, curb to curb and should provide for adequate passing of vehicles with parked cars on both sides.

The City Marshall was asked about the availability of community service workers and reported there were none that he was aware of at this time.
